MEMORANDUM

To: Lonnie E. Quesenberry, Chair
Board for Barbers and Cosmetology
Department of Professional and Occupational Regulation

William H. Ferguson, II, Executive Director
Board for Barbers and Cosmetology
Department of Professional and Occupational Regulation

From: Eric A. Gregory
Assistant Attorney General
Counsel to the Board for Barbers and Cosmetology

Date: March 7, 2005

Subject: Letter of Assurance for Revised Body-Piercing Regulations

I have reviewed the revised Body-Piercing Regulations of the Board for Barbers and Cosmetology, following executive review, that were posted on Virginia Regulatory Town Hall on March 3, 2005. In my view, as counsel to the Board for Barbers and Cosmetology, the Board may promulgate these regulations, pursuant to § 54.1-201(5) of the Code of Virginia. The revised regulations do not appear to conflict with the Constitution of the United States or the Constitution of the Commonwealth of Virginia, nor do they appear to conflict with any federal or state law.

This memorandum addresses legal matters only and is not intended to serve, nor should it be construed as a comment for or against the merits of the proposed regulations.
